

## Linda M Carroll PhD

Dr. Linda Carroll maintains a private practice in voice pathology and voice training in NYC and NH, and serves as Research Scientist at The Children's Hospital of Philadelphia. She holds dual undergraduate degrees in voice performance and music education, and Masters/Doctoral degrees in Applied Speech Science from Columbia University. Her expertise is treating patients who have high voice use demands, complicated voice issues, or severe dysphonia. Her studio has over 60 Grammy nominations. An ASHA Fellow, she has been a vital member of several interdisciplinary voice care teams, and was also a contestant in the Miss America Pageant.
